

# **The Social Circle**

**Social Meets Travel**

**The Circle**

Social enterprises are businesses created to **further a social purpose** in a **financially sustainable way**.

# What we do

We make it easy for tourists to contribute to local communities

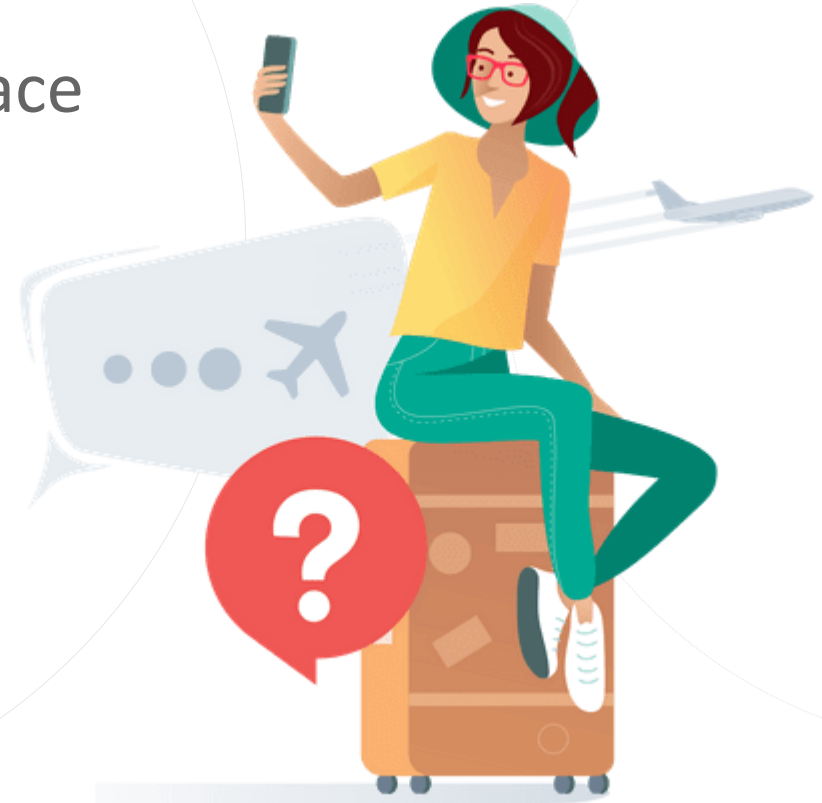

# How we do it

We provide them with simple access to social enterprises through our platform

# Crucial benefits

1. Organized information in one place
2. Easy to search
3. Competitions
