

Travel to novel places. Sustainably.

THE PROBLEM

THE CHALLENGE

Set budget

Set free time (bank holidays, long weekends)

Where to go?

Want novel destinations

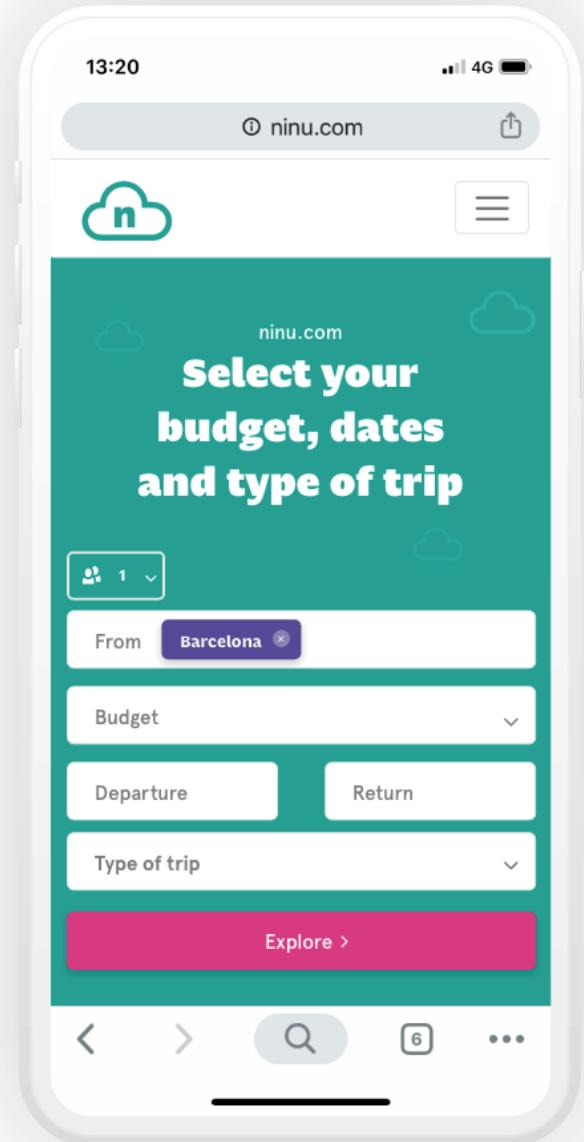

Want to be sustainable

THE SOLUTION

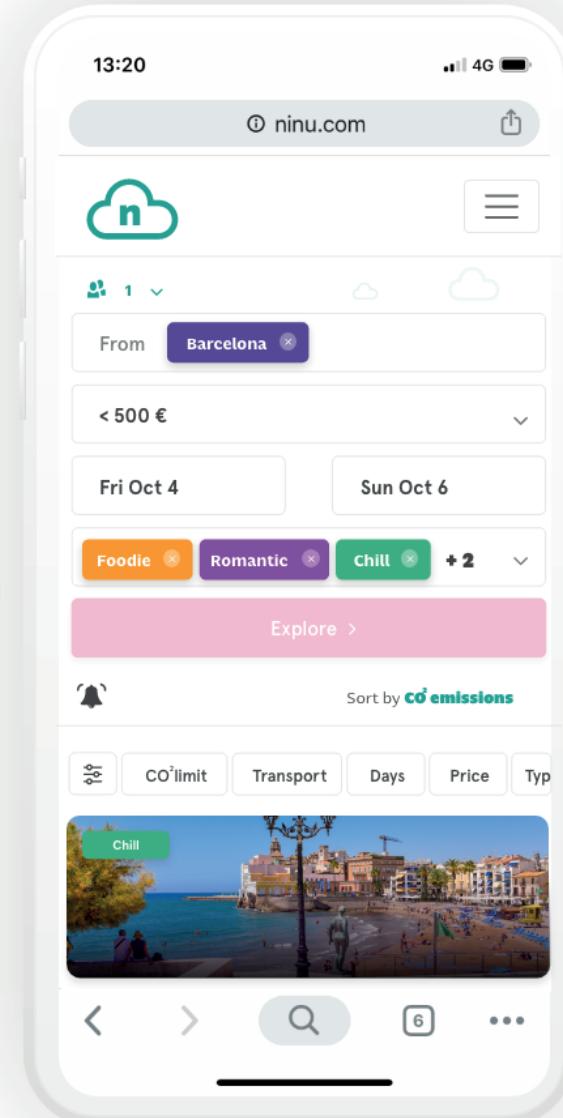

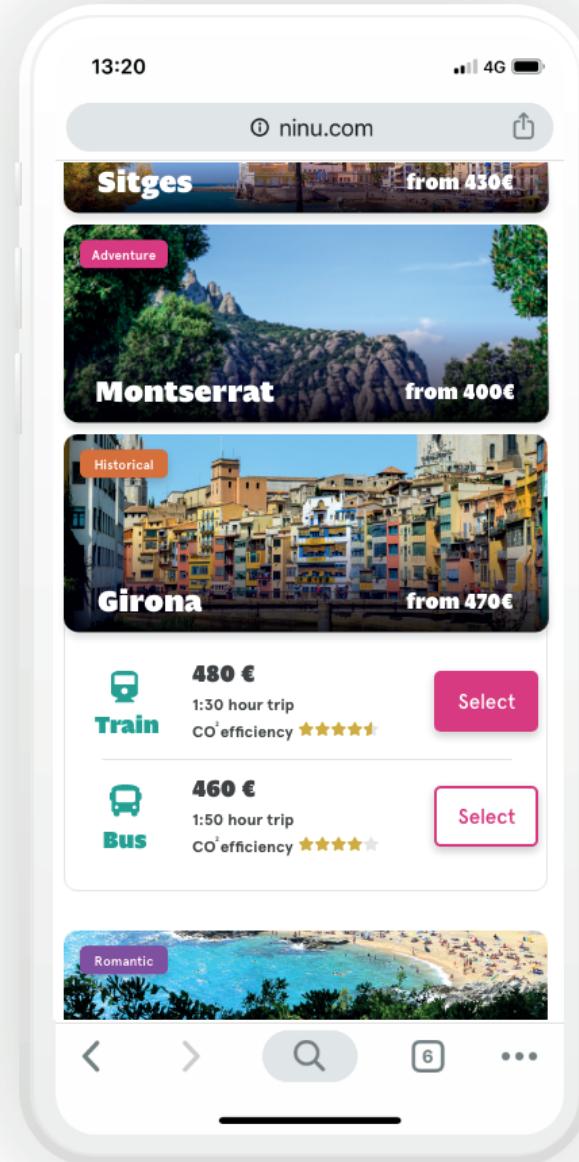

Surfaces less traveled,
novel destinations

More sustainable travel packages:
train, bus, ship

WHY?

Top destinations

Surprise only

Other travel sites

Top destinations

Not budget oriented

Not type of trip oriented

Travel agencies

Not instant

not focused in less traveled,
sustainable destinations

Top destinations
Surprise only
Set budget

Other travel sites

Top destinations
Not budget oriented
Not type of trip oriented

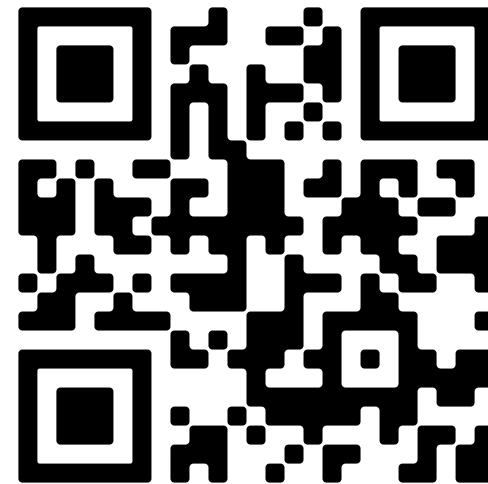

Travel agencies
Not instant

DEMO

nunuapp.herokuapp.com

STACK

APIS ->  Tequila BETA Location, Search, more APIs for trains and buses

Challenge -> No easy source for hotels: faked data for now
(while we get access to Booking and Expedia APIs)

THE TEAM

**Joao**

Full Stack developer, travel expert

**Luis**

UX/UI Designer, marketing & branding

**Miguel**

Full Stack developer, architecture

ROADMAP

1- MVP for Barcelona

2- Marketing

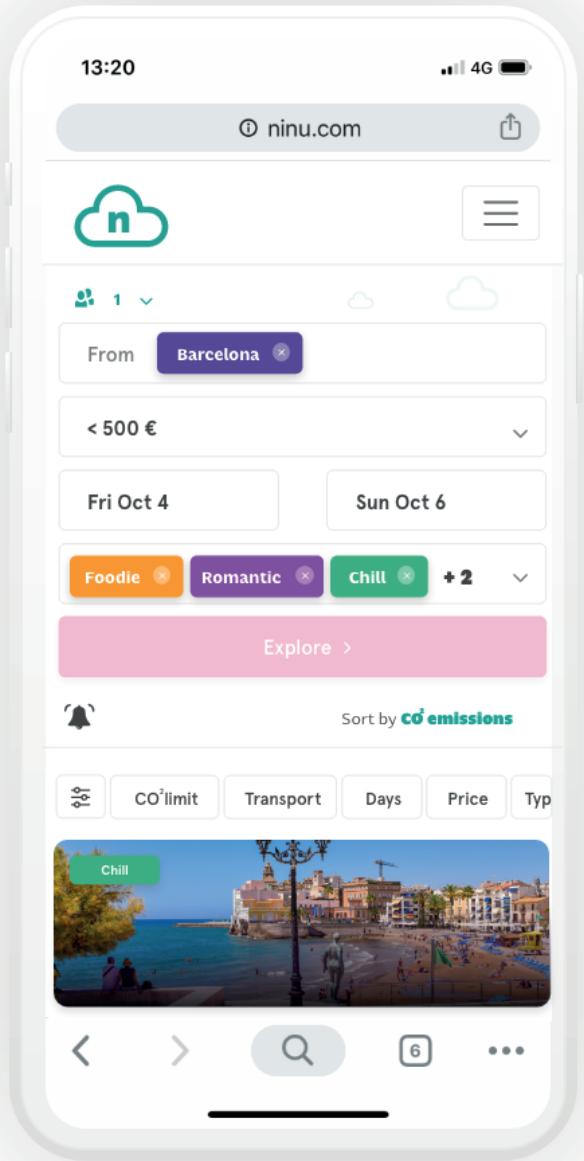

3- Build up novel destination DBs with research,
community (reviews, etc), partnerships, scrapping

4- Expansion to new cities: Madrid, Valencia, Basque Country, France, Portugal
