

Son it anick, but son it well

Tell readers what they **need** and **want to know**, nothing more

TODAY: INSTANT GRATIFICATION, QUICK FIXES

LESS
PATIENCE,
NO DEEP
THINKING

- 32% users leave after 1-5 seconds
- Inversely proportional to number and size of pages

Source: www.theguardian.com

Who are we?

- Highly visual social platform
- We bring **communities** together by connecting tourists with local experiences
 - Communication becomes easy and independent of nationality or language

GLOBAL COMMUNITY FOR TOURISTS

What problems do we solve?

PROMOTE LOCAL UNKNOWN AREAS

USER-CURATED,
UNBIASED CONTENT

Why does it watter?

Time is a precious resource

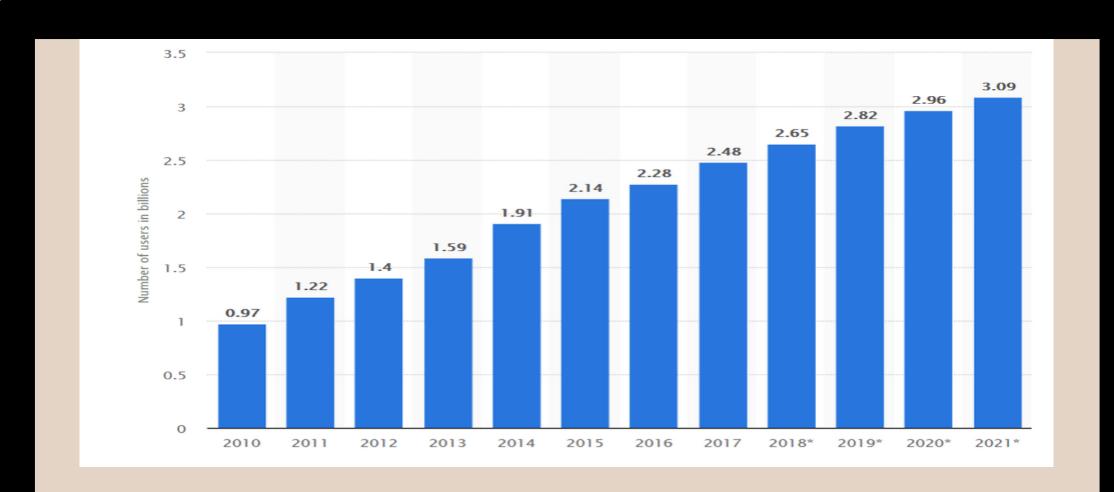

Genuine opinions by the people, for the people

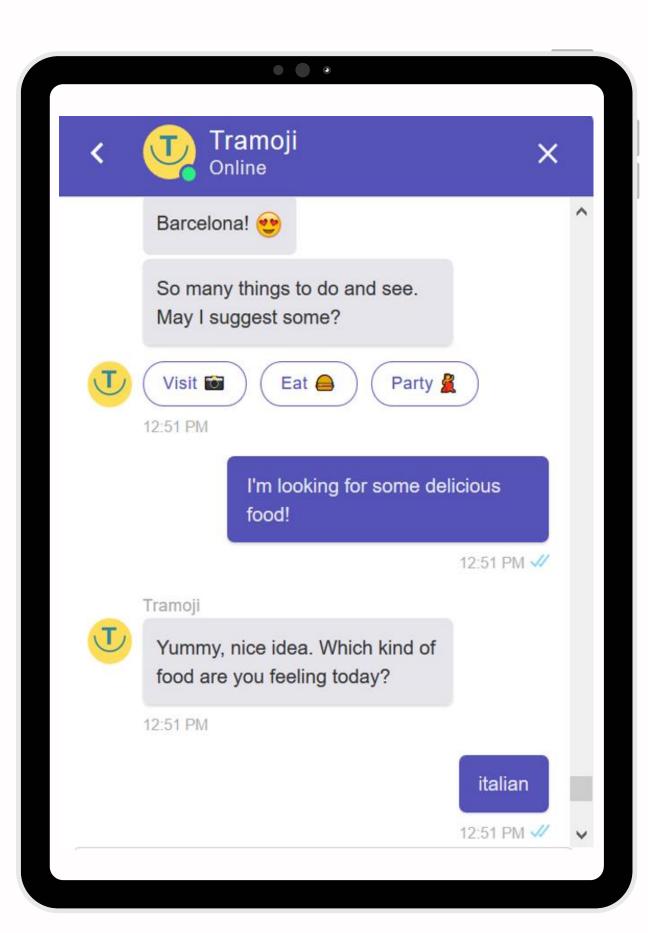

Freedom of expression

Does it some?

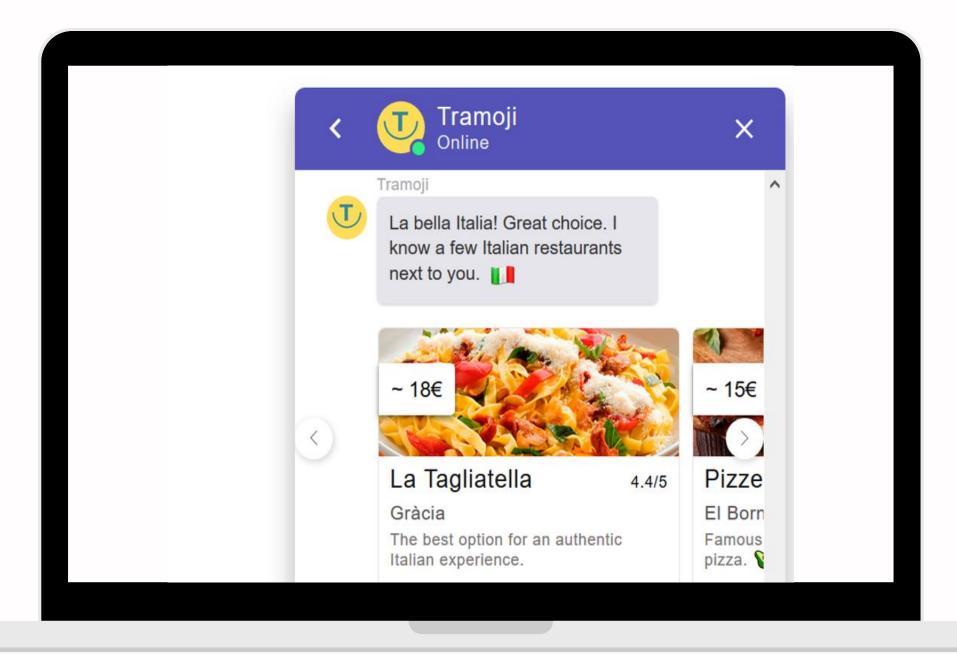

- Over the past decade social media has experienced a huge, steady growth
- Simplicity is the key of success. People like things that make their lives easier

Our added value

CONVERSATIONAL INTERFACE (CHATBOT)

Future idens

3D STREET VIEW-AUGMENTED REALITY
